## CALL for ESORICS WORKSHOP PROPOSALS 2021

26th European Symposium on Research in Computer Security  
Darmstadt, Germany, October 04-08, 2021

### Overview

ESORICS is the annual European research event in Computer Security. The Symposium started in 1990 and has been held in several European countries, attracting a wide international audience from both the academic and industrial communities.

Proposals are solicited for Workshops to be held in conjunction with ESORICS 2021. A Workshop should aim at providing a forum on emerging topics of high interest to the security and privacy community.

In the Workshop selection, particular consideration will be paid to:

- Its potential interest for the security and privacy community
- Its novelty with respect to other forums, especially with respect to other ESORICS workshops.
- Its likely impact on the target community, including likely high participation.

The duration of a workshop can be half day, one day or two days.

### Important Dates

- Workshop proposals due: February 12, 2021
- Notification of decision: March 01, 2021

### Submitting a Workshop Proposal

To submit a proposal send an email to the Workshop Chair with the information requested in the application form: esorics2021-workshops [at] easychair [dot] org

The following application form should be used (also available in Word format [here](#).)
